SPONSORSHIP PROPOSAL

ROOTED IN TRADITION. DRIVEN BY COMMUNITY.

# about us .

**Founded in 1886, just two years after the GAA itself was formed, we have a proud history and an exciting future. Bigger and stronger than ever before, we now have over 1,200 members, and we field no less than 30 teams across the nursery, juvenile and adult sections. The club has by far the widest reach and deepest roots of any organisation in our community.**

As one of the fastest growing clubs in the region, we're the first stop for new families and residents looking to connect and belong. Being part of our club isn't just about sport — it's about community, identity, and opportunity. We are committed to providing a safe, inclusive, and inspiring environment for players of all ages and abilities. The club allows children and young people to benefit not only from physical activity but also to have fun and build friendships alongside the values of teamwork, discipline, and resilience that our national sport of Gaelic games instils. Anyone associated with us becomes part of something truly special and rewarding.

We are pleased to offer a limited number of exciting sponsorship opportunities.
